Paperback | \$14.99

Carton Count: 32

by Sherry Carter

Life Principles for the Storms of Life is an eight-week Following God Bible study that leads women through dark days using the analogy of a storm: preparing as the clouds gather, walking through the intense storm, and picking up the pieces after the crisis has passed. Readers will discover indisputable truths that remain unchanged by their circumstances. They will apply God's Word to their difficult situations, allowing them to resolve anger and bitterness. Finally, they will be encouraged to find strength in Scripture, challenged to seek God's purpose and perspective in a time of suffering, and inspired to draw close to Him for strength and healing.

Ecclesiastes: Understanding What Matters Most

FollowingGod.com

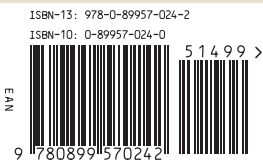

October 2010

Carton Count: 32

by Stephanie Shott

Ecclesiastes, Understanding What Matters Most is a six-week Following God workbook study that begins with a history lesson explaining how Solomon became king and then takes the reader into a verse-by-verse study through Ecclesiastes. The study offers a unique woman's perspective to an oft avoided and misunderstood book of the Bible. As readers use this Following God® resource to study the book of Ecclesiastes, they can be encouraged to know they also have the opportunity to study the author (Solomon), whom God inspired to pen this very interesting and often misunderstood book of the Bible. I often say that I like to learn from the mistakes of others rather than making my own and I believe that, although Solomon lived approximately 3,000 years ago, the lessons we can learn from him are just as relevant today as they were then. Times may have changed, but the heart of man has not.

Preparing My Heart for Grandparenting

PreparingMyHeart.net

September 2010

ISBN-13: 978-089957013-6

ISBN-10: 0-89957-013-5

Paperback | \$12.99

Carton Count: 32

by Milt and Lydia Harris

Preparing My Heart for Grandparenting provides six weeks of Bible-study lessons to help grandparents and those about to be grandparents. Each week contains five lessons with Scriptures, illustrations and insights from grandparents, a "grand-thought" takeaway, and a prayer. Weekends include: "grand-slam" ideas for activities with grandchildren, devotionals for grandparents, and Sunday prayers (for grandparents to pray for themselves along with scripture-based prayers to pray for their grandchildren). The study also features quotes from grandchildren about their grandparents. Lesson titles include: Prepare for a new role-beyond spoiling grandkids and sending them home, Prepare to pray-God answers knee-mail, Prepare to model a godly life-not as I say, but as I do, Prepare to invest in their lives-love is spelled T-I-M-E, Prepare to experience joy and tears-it's fun but not always fun and games, Prepare to make an eternal impact-passing on the baton of faith

Stories of Faith and Courage From Firefighters and First Responders is a 365-day devotional book in the Battlefields and Blessings® series. With many stories from first responders who have “been there,” this book serves as a daily reminder that God is with you in even the most tragic calls. When armed with God’s protective shield and grounded in His word and prayer, you are never alone, because God is with you.

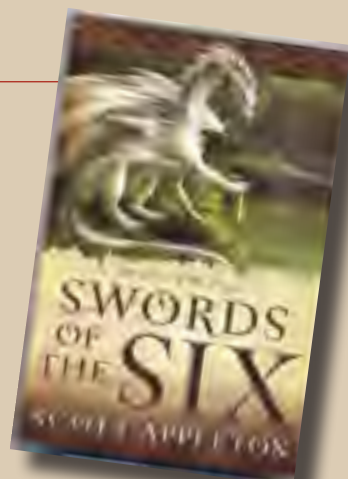

Stories of Faith and Courage from Cops on the Street is a 365-day devotional book in the Battlefields and Blessings® series. Stories—one for each day of the year—come from members of the law enforcement community who have sensed God’s presence in some event relating to their work. demonstrate that something happened relating in their particular stories that simply cannot be attributed to anything other than God’s hand.

Betrayed in ancient times by his choice warriors, the dragon prophet sets a plan in motion to bring the traitors to justice. One thousand years later he hatches human daughters from eggs and arms them with the traitors’ swords. Either the traitors will repent, or justice will be served.

The Map across Time, a sweeping epic of unending love and trust, shows how those who feel they are insignificant and unworthy have merit and serve heaven’s purpose, even if that purpose is hidden.

Unashamed: Taking a Radical Stand for Christ

unashamedthebook.com

October 2010

ISBN-13: 978-0-89957-957-3
ISBN-10: 0-89957-957-4
224 Pages | 5.5 x 8.5 Inches
Paperback | \$12.99

Carton Count: 48
by *Robby Gallaty*

Should faith really be all about personal fulfillment? Not according to the Bible. In *Unashamed: Taking a Radical Stand for Christ*, pastor and Bible teacher Robby Gallaty takes a look at 2 Timothy, the last written words of the Apostle Paul.

Unashamed provides clear instruction and relevant application, revealing that Christ-like living requires a boldness and sacrifice often opposed to today’s norms.

Don’t be ashamed of your faith in Jesus Christ; be unashamed in sharing both His grace and truth with a world in desperate need of both.

Hardback | \$17.99

Carton Count: 18

by Alexander Whyte

Telling a good story takes great content, great communicating skills, and great ability to hold the listener's attention. Writing a good biography takes many of these same skills, and Alexander Whyte possessed every one of them. He was a trained preacher, a polished writer, and very gifted at conveying the stories of other human beings. In fact, the majority of works published in his lifetime were biographical works of some kind. In this book, Whyte uses his storytelling skills to interact with the greatest content of all time, the Holy Bible. What results is a collection of more than 150 stories on the characters of the Bible. Whyte's writings continue to inspire preachers, Sunday school teachers, and lay people more than 160 years after they were published.

Saints and Sinners of the Bible

The Five Laws of Liberty

FiveLawsOfLiberty.com

August 2010

ISBN-13: 978-0-89957-015-0
ISBN-10: 0-89957-015-1

208 Pages | 5.5 x 8.5 Inches
Paperback | \$12.99

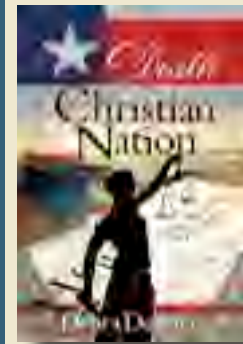

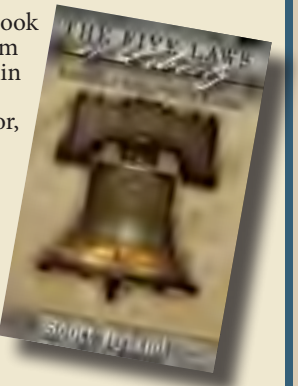

Carton Count: 32

by Scott Hyland

The Five Laws of Liberty is an honest examination of the biblical view of freedom. The book thoroughly examines Scripture passages that deal specifically with the concept of freedom and sheds light on Christ's teaching on the subject. In order for freedom to flourish within relationships, every action should be governed by *The Five Laws of Liberty*. Why is it important to have a proper understanding of freedom? According to educator and author, Scott Hyland, life and liberty thrive within the parameters of *The Five Laws of Liberty*:

- Remember the Past
- Embrace the Truth
- Respect Humanity
- Self-control (Restrain)
- Protect and Serve others

As a nation, America proudly exhibits a heritage of placing these laws into practice. Unfortunately, in recent years, we have witnessed deterioration in our ability to focus our sight upon the founding principles of our country.

Death of a Christian Nation

DeathofaChristianNation.com

June 2010

ISBN-13: 978-0-89957-023-5
ISBN-10: 0-89957-023-2

192 Pages | 5.5 x 8.5 Inches
Paperback | \$14.99

Carton Count: 50

by Deborah Dewart

Death of a Christian Nation is a wake-up call for Christians to be more aware of how Christianity is under attack in their own nation. In each chapter, attorney Deborah J. Dewart takes readers on a case-by-case journey as to how fellow Christians are suffering for their faith right here in America. Such knowledge is useful for understanding how current laws impact our ability to apply biblical principles in the workplace. Some believers may object to political action. After all, the Church's mission is to preach the gospel, and we tread on dangerous ground when we perceive non-Christians as "the enemy" rather than persons who need Christ. But we cannot stand by idly while fellow believers suffer serious legal consequences for practicing their faith. Moreover, our freedom to preach the gospel is rapidly diminishing, and preservation of that freedom is vital to the church and its mission. We must never forget our primary mission by becoming too entangled in political warfare, but neither can we hide our heads in the proverbial sand.

God in the Trenches

GodintheTrenches.net

July 2010

ISBN-13: 978-0-89957-020-4
ISBN-10: 0-89957-020-8

224 Pages | 5.5 x 8.5 Inches
Paperback | \$12.99

Carton Count: 32

by Larkin Spivey

Is God on America's side? Is it possible a providential hand intervened at critical junctures during America's wars? Is freedom important to the Almighty? Larkin Spivey, a decorated Marine Corps officer and respected military professor, believes so.

In *God in the Trenches*, Spivey shows when the nation's survival seemed uncertain, even doubtful, fate seemed to turn America's way, giving way to mysterious—if not miraculous—events. These events altered the course of history, leading to victory for the American military and enduring freedom for America's citizens.

Whether these events were miracles, or just plain mysteries, Spivey leaves no doubt that the history of the United States was swayed many times by a hidden hand. Will the hand of providence help America once again?

Miracles of the American Revolution

MiraclesoftheRevolution.net

June 2010

ISBN-13: 978-0-89957-021-1
ISBN-10: 0-89957-021-6

Paperback | \$14.99

Carton Count: 32

by Larkin Spivey

Was the birth of the Republic an accident of history or part of a divine plan? Is God on America's side? Is it possible a providential hand intervened at critical junctures during the American Revolution?

Larkin Spivey, a decorated Marine Corps officer and respected military professor, believes so. This provocative account of the American Revolution offers historical evidence that the hand of God was at work during the pivotal era of America's founding. Author Larkin Spivey, a respected military historian, shows how a series of remarkable and miraculous occurrences laid the foundations for the Republic. With compelling facts and interpretations, this portrait of early America is both amazing and uplifting.

Winning the Culture War

WinningtheCultureWar.net

June 2010

ISBN-13: 978-089957025-9
ISBN-10: 0-89957-025-9

208 pages | 5.5 x 8.5 inches
Paperback | \$12.99

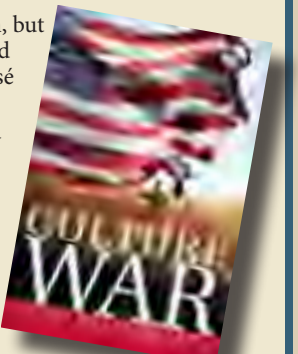

by Linda Rae Hermann

In 1989, the Berlin wall, the very wall that symbolized oppression for so many came down, but the real threat of revolution has always been from within, not without. Now Christians and traditionalists in America must join forces to win the "Culture War." This book is an exposé on America's gradual but steady secular and socialist drift.

1 A discussion of contemporary issues highlighting the threat of radical socialism and how this threat can be defeated

1 Little-known facts about Christopher Columbus and the Puritan influence in our nation

1 A compelling argument that the very beginnings of American history were part of a special calling from God

NEW RELEASES
2010

A young blacksmith must undertake a perilous journey to the four ends of the world to rescue his wife, who is held captive by the Moon. Along the way, he befriends a powerful wolf who encourages, protects, and ultimately sacrifices his life to save his human friend. A stirring allegory of God's love in classic fairy tale tradition.

Special Features:

- The reader learns how places on earth have been designated by heaven to prevent a stronghold of evil from contaminating the hearts of men. Each book will feature a different site, and from story to story their importance to the tale will vary.
- Characters throughout the novels quote from famous thinkers and poets, as well as the Bible, thus enriching the stories with a depth of wisdom and spattering of philosophy. All the books will draw elements from many traditional fairy tales, capturing the magic and wonder intrinsic in those tales.
- A study guide (optional) is provided at the end of each novel that discusses the sources of quotations and allusions and provides themes for contemplation and home school instruction.

400 pages | 6 x 9 inches
Paperback | \$14.99

by *Wayne Thomas Batson*

Haunted by memories of a violent past, Alastair Coldhollow wagers his life on the hope that a sword will appear in the stars and the foretold Halfainin, the Pathwalker, would come. Meanwhile, tensions simmer between Anglinore and the murderous Gorrack Nation, threatening war on a cataclysmic scale. The fate of all could rest on an abandoned child and the decisions of those who desperately seek to identify him. *Sword in the Stars* is the first release in *The Dark Sea Annals* series.

About the The Dark Sea Annals series:

A noble king discovers what happens when he leaves a door open for evil. The disastrous consequences impact generations, leaving the throne of Anglinore to a wicked despot, the kingdom in ruins, and Aravel's son Loch in exile. To throw down the vile new authority, Loch will need to find the fabled Halfainin and raise a new army from a world of reluctant citizens. Together with his archer friend Ariana, Loch will face adventures that span the world of Myriad, creatures that defy imagination, and choices great and terrible—all these recorded in *The Dark Sea Annals*.

Masters & Slayers
(Tales of Starlight series)

400 Pages | 6 x 9 Inches
Paperback | \$14.99

Carton Count: 20

by *Bryan Davis*

Expert swordsman Adrian Masters attempts a dangerous journey to another world to rescue human captives who have been enslaved there by dragons. He is accompanied by Marcelle, a sword maiden of amazing skill whose ideas about how the operation should be carried out conflict with his own. Since the slaves have been in bonds for generations, they have no memory of their origins, making them reluctant to believe the two would-be rescuers, and, of course, the dragons will crush any attempt to emancipate the slaves. Set on two worlds separated by a mystical portal, *Masters and Slayers* is packed with action, mystery, and emotional turmoil, a tale of heart and life that is sure to inspire.

Special Features:

- Written by an author who pioneered fantasy in the Christian publishing world
- Written by a number one CBA Bestselling Author
- Award winning author: Darrell Awards Hall of Fame (Science Fiction/Fantasy), second place ACFW book of the year
- Male and Female protagonists, young and old, broadens readership and appeal
- Rich and vast fantasy landscape full of unique settings, races, and creatures that will capture readers' imaginations
- High adventure, character driven, parallels to provocative issues
- Themes that promote Christian values, making it ideal for Christian audiences. Since it is set in another world, there is no direct reference to Jesus Christ, allowing secular stores and public schools to embrace it without reservation.

Popular **Following God**® interactive Bible study features are suitable for group or individual study

Life Principles from Paul's Co-workers

Available Now!

ISBN-13: 978-0-89957-342-7
ISBN-10: 0-89957-342-8

160 Pages | 8.5 x 11 Inches
Paperback | \$ 14.99

by *Richard Soule*

We all need heroes. The apostle Paul is one such hero of whom volumes have been written. *Life Principles from Paul's Co-workers* focuses not so much on Paul himself, although he is complex and fascinating, but rather the people who worked with him. In many cases, they faced the same daunting challenges he did and emerged victorious.

Featured Contents:

- Prisca and Aquila - Courage and Commitment
- Aristarchus - Perseverance under Fire
- Euodia and Synthyche - Working out Differences
- Ephroditus - Suffering and Service
- Demas - Conflicting Priorities
- Titus - A Trustworthy Partner
- John Mark - Preparedness

Life Principles for Spiritual Warfare

Available Now!

ISBN-13: 978-0-89957-343-4
ISBN-10 0-89957-343-6

144 Pages | 8.5 x 11 Inches
Paperback | \$ 14.99

by *Eddie Rasnake*

An incredibly popular subject of discussion in the body of Christ today is the whole area commonly called "Spiritual Warfare." This evolving worldview is reflected in the rapid embracing and repackaging of Eastern mystic beliefs into what is called the New Age movement. What will be the church's response to cosmic humanism? *Life Principles for Spiritual Warfare* seeks to become a partner in this process. This 7-week study does not throw stones at particular doctrines or people. Rather, it serves to help believers shape convictions that are biblical. **Featured Contents:**

- Lesson 1: Understanding Satan
- Lesson 2: Satan's Methods
- Lesson 3: Dealing with Demons
- Lesson 4: The World, the Flesh, and the Devil
- Lesson 5: The Christian's Defense
- Lesson 6: The Christian's Offense
- Lesson 7: Warfare Practices

Life Principles for Worship from the Feasts of Israel

ISBN-10 0-89957-345-2

192 pages | 8.5 x 11 inches
Paperback | \$14.99

by *Rick Shepherd*

Current cultural trends show a growing hunger for something more than the materialism of the age. *Life Principles for Worship from the Feasts of Israel* is a Bible study trail marker for finding the truth of Scripture, entering into the reality of a close, intimate relationship with the Lord Jesus, and living out that relationship in every dimension of life (not just Sunday morning culture).

Featured Contents:

- The Passover
- Unleavened Bread
- Pentecost
- Day of Atonement

Joseph: Beyond the Coat of Many Colors

March 2011

ISBN-13: 978-0-89957-333-9
ISBN-10 0-89957-333-5

192 pages | 8.5 x 11 inches
Paperback | \$14.99

by *Rick Shepherd*

Joseph: Beyond the Coat of Many Colors is an interactive Bible study in the familiar *Following God* format that offers hope, encouragement, and practical answers to life's problems. As one of Jacob's twelve sons, Joseph is a blueprint for understanding blended families with broken and betrayed relationships. The study also serves as a leadership manual for churches and businesses; a handbook for employees and employers; a guidebook for resisting negative peer pressure and instituting moral purity, grace and forgiveness.
