C.S. Lewis continues to bring magic into the lives of readers young and old with his classic fantasy series, *The Chronicles of Narnia*. He is one of the most commercially successful authors. None of his 38 books have ever been out of print. This illuminating program chronicles Lewis's remarkable life—his childhood in Northern Ireland and the devastating loss of his mother, the profound impact of World War I on his belief system, his storied friendship with *Lord of the Rings* author J.R.R. Tolkien, his transition from atheist to Christian, and his late-in-life love story with his wife, Joy. It features lively and illuminating interviews with world-renowned Lewis scholars, family members, friends, as well as Oscar-nominated actress Debra Winger (*Shadowlands*). This multi-award-winning program is the most complete portrait of the world-renowned author considered by many to be the greatest Christian writer of the 20th century.
