Based on Gail Radley's acclaimed novel, *The Golden Days*, *The First of May* is a heartwarming family film in the classic tradition of *Toby Tyler*. Cory (Dan Byrd), a foster child who feels unwanted in his new home, befriends Carlotta (Julie Harris), a vivacious elderly woman and former circus worker who rebels at the restrictions in her

nursing home. Together, they run away, and find the family and home they are looking for when they join the Clyde Beatty traveling circus troupe. In his final screen appearance, baseball legend and 20th century icon Joe DiMaggio has a moving cameo as a mysterious stranger who gives a struggling Little Leaguer, Cory, a major league hitting tip.
