Uncle Nino gets his first look at America.

Overworked executive Robert Micelli (Golden Globe nominee Joe Mantegna, *Searching for Bobby Fischer*) has little time for his loving wife (Academy Award™ nominee Anne Archer, *Patriot Games*), rebellious 14-year-old son, Bobby, (Trevor Morgan) and 12-year-old daughter, Gina (Gina Mantegna), who desperately wants a dog. This disconnected family is transformed by long-lost Uncle Nino (Pierrino Mascarino, *Tears of the Sun*), an old world Italian who unexpectedly arrives on their doorstep for a visit. Nino's simple, old-fashioned ways make him a curiosity to the neighborhood, and an embarrassment to Robert. But Nino is slowly able to connect with each member of the family, and teach Robert how to enjoy life's simple pleasures: good food, good music, and most important, La Famiglia! Uncle Nino is that rare family film whose simple story and gentle humor can be enjoyed by all ages.

Music brings Nino and his rebellious nephew together.
