1894 • Celebrating 125 years of God's faithfulness • 2019

**THE VISION OF MOODY PUBLISHERS** is to proclaim the gospel of Jesus Christ and a biblical worldview in such creative and powerful ways that individuals worldwide will live in increasing measure as His fully-devoted followers. Our mission is to educate and edify the Christian and to evangelize the non-Christian by ethically publishing conservative, evangelical Christian literature and other media for all ages around the world, and to help provide resources for Moody Bible Institute in its training of future Christian leaders.

## Celebrating 125 years of God's faithfulness!

When D. L. Moody asked some local booksellers in 1894, "What have you in the way of helpful reading for young people?," the response he received was, "Nothing."

So, Moody put on his entrepreneurial hat, gathered a few friends, and started the Bible Institute Colportage Association (BICA). The primary mission was to offer inexpensive books that served underserved readers—young people, those in jail, and others who weren't at the top of the "most likely to buy expensive books" list. The first book BICA published was *All of Grace* by Moody's friend Charles Spurgeon. **It's still in print after 125 years!**

BICA was renamed Moody Press in 1941 (and later Moody Publishers), and the goal of reaching unreached readers continued. In our first fifty years, more than 30 million books and Bibles were published and more than 40 million gospel tracts had been distributed.

Since then we've published thousands of titles and distributed tens of millions of books. Our goal today is to resource the church to make disciples of all nations.

We publish to help readers grow closer to God, to assist students of the Bible in their study, to bolster married couples in their relationships, to support parents in raising their children, to equip leaders in the church, and to introduce people to Jesus (maybe for the first time).

**We love books and we're grateful to share these new ones with you.**

Thanks!

Fully encompassing areas of unity, history, culture, the church, and social justice, Tony Evans looks to the scriptures for the balance between righteousness and justice. Reaching Cultural Christianity with the Gospel

DEAN INSERRA

*What to do when they say they're Christian but don't know Jesus.*

*The Unsaved Christian* equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will:

- show you how to recognize cultural Christianity
- teach you how to overcome the barriers that get in the way
- give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more!

If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.

It shares proven, practical strategies for success, as well as biblical principles that will help you whether you want to lose a few pounds, conquer addiction, or kick your nail-biting habit. Why the Opposite of Poverty Isn't the American Dream

**BRIAN FIKKERT & KELLY M. KAPIC**

*How do we create real human change that lasts?*

Why doesn't change seem to last? Whether it's the relief work that took 25 years to build and falls apart ten years after the workers leave or the kids that go back to violence and drugs as soon as the after-school program is over, we have a problem. In *Becoming Whole*, Brian Fikkert and Kelly M. Kopic look at the true source of poverty and uncover the surprising prerequisites for lasting change.

Exposing the ways our misconceptions of change and poverty have driven us to export harmful narratives around the world, they invite us into a new way of thinking about poverty alleviation, ourselves and the world—a way of thinking that is driven by the kingdom of God. See how enduring change begins with changed hearts and discover why God's design for change is the only one that works.

How the Five Solas are Still Reforming the Church

**JASON K. ALLEN, GENERAL EDITOR**

*Discover why the fundamentals of the Reformation still matter today.*

Why do people get so excited about a bunch of Latin phrases that some guys in Europe came up with 500 years ago? Sure, those five Latin phrases have defined Protestantism for 500 years, but why do they matter today? To my church? For my life? What's the big deal about all these solas anyway?

- Sola scriptura—Scripture alone
- Sola gratia—Grace alone

- Solus Christus—Christ alone
- Soli Dei Gloria—To the glory of God alone

*Sola* is a winsome, inspiring introduction to these five pillars of the Reformation, showing not just what they are but why they're important for the Christian life today. Edited and compiled by Jason Allen, *Sola* will illuminate these core truths that have been reforming the church all along. And it may get you excited about nerdy Latin phrases, too.

## 4 Chair Discipling

The Mission Jesus Gave Us

*The simple disciple-making plan that Jesus used.*

Through studying the life of Christ and His disciple-making methods, Dann Spader developed *4 Chair Discipling*. After all, Jesus’ last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it’s not easy. But it is simple.

In the process of His four year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In *4 Chair Discipling*, you’ll get a clear and simple picture of how to follow in Jesus’ footsteps and do the same thing.

## Hooked

The Brain Science on How Casual Sex Affects Human Development

JOE S. MCILHANEY JR, MD & FREDA MCKISSIC BUSH, MD

*What does a three-pound brain have to do with one's sex life? A lot, actually.*

*Hooked* is about what's happening to and in your brain when you're having sex. Through scientific data put in layman's terms, this book demonstrates that:

- The continual forming and breaking of these bonds can have permanent effects on a person's brain

**PLUS!** This updated edition also includes a brand new chapter on the effects of pornography on the brain.

Regardless of what we wish were true, the facts tell us: "safe sex" isn't as safe as it seems. Learn about your brain and how you can protect yourself (and your kids) from the dangers of casual sex.
