THE VISION OF MOODY PUBLISHERS is to proclaim the gospel of Jesus Christ and a biblical worldview in such creative and powerful ways that individuals worldwide will live in increasing measure as His fully-devoted followers. Our mission is to educate and edify the Christian and to evangelize the non-Christian by ethically publishing conservative, evangelical Christian literature and other media for all ages around the world, and to help provide resources for Moody Bible Institute in its training of future Christian leaders.

Celebrating 125 years of God's faithfulness!

Recently a staff member here at Moody Publishers went to a conference abroad.

While teaching foreign publishers how to publish Christ-honoring books in their circumstances, he was approached time and again by attendees who had a connection to Moody Publishers. They would praise books from Moody's history, share stories of books that helped people come to know Christ, or express gratitude for a book that taught them how to pastor.

It was a humbling reminder for each of us about the mission and legacy we carry on at Moody Publishers- a mission of glorifying Christ and resourcing his Church.

That mission continues in 2019. Whether it's equipping families in *The DIY Guide to Building a Family that Lasts*, encouraging believers with *Kids Say the Wisest Things*, or spurring on local church leaders in *When Conflict Happens* and *Feels Like Home*, we know we aren't just selling books—we're making a difference.

Thanks for partnering with us in this mission,

Adam Dalton

Kids Say the Wisest Things

26 Lessons You Didn't Know Children Could Teach You

JON GAUGER

Kids have a way of saying things adults would never say and revealing profound—even biblical—truths in their unfiltered, unedited commentary on the world. In this inspiring book, Jon Gauger shares important lessons he learned about God by observing kids, like when his granddaughter Joslynn took a tumble. When Joslynn was camping with her family, she fell down the camper's stairs to the horror of her watching grandparents. But when she stood up and declared, "Let's try that again," Gauger noticed how even though Joslynn had failed at something, she was kissed, hugged, and comforted by her family. Gauger reminds us that this is how God responds to us when we seemed to have failed "big time."

Each anecdote teaches the Christian a familiar truth through a less familiar vehicle, making this giftable book fresh and fun.

Love Over Fear

Facing Monsters, Befriending Enemies, and Healing Our Polarized World

DAN WHITE JR.

Aren't Christians supposed to be the loving ones?

Whether you're watching the news or scrolling through your news feed, you'll encounter fear. We're scared of terrorists, criminals, and the other side of the aisle. We're scared for our children. We're scared of each other. And all the while, divisions grow.

But enough is enough. It's time to fight our battles the way Jesus fought His—with confounding, disruptive, world-changing LOVE.

Love Over Fear is a thought-provoking guide to conquering fear with love in the age of polarization. Dan White Jr. will:

- show you how and why fear works and how to combat it
- demonstrate the power of self-emptying love in a world of hate
- teach you how to walk in love when it's complicated, messy, and seemingly impossible

We are the ones called to love our enemies. Isn't it time we started living like it?

UNIQUE FEATURES

- Over the course of 2016, Dan had the joy of speaking to over 10,000 people. His Twitter account has 5,000 followers

An Uncommon Guide to Retirement

Finding God's Purpose for the Next Season of Life

JEFF HAANEN

How to have a retirement worth having

There's a lot of advice about retirement out there. Some try to tell you retirement can and should be a perpetual vacation. Others might speak about retirement as a time for your second career. And there's some truth in all of it, but there's a lot wrong with it too.

An Uncommon Guide to Retirement gives you a new way of looking at retirement (that doesn't reject the good from the old ways of doing things). In it, Jeff Haanen explores ideas like Sabbath, calling, and purpose and teaches you how to:

- reframe conversations around the body and healthcare decisions
- understand your family system, set boundaries, and leave an intentional legacy
- love God, bear witness to the gospel, and serve your neighbors in retirement

If you're retired or thinking about retirement and want a more purpose-filled season, this book is for you!

Practicing the Present

The Neglected Art of Living in the Now

JOHN KOESSLER

Escape the tyranny of urgency and anxiety and learn to live fully present.

You know how sometimes you arrive somewhere in your car and don't remember anything about the drive? You were on autopilot. Well, it turns out most of us live a lot of our lives that way—moving from one task to the next, one email to the next, one day to the next, only half present and missing a lot.

Practicing the Present teaches you to reclaim your everyday moments by engaging your ordinary present. Because as John Koessler points out, "It is the one who is fully in the moment and can be guided by the inspired intuition of the Holy Spirit that is best positioned for a breakthrough." Koessler studies the life, prayers, and teachings of Jesus in order to present you with a thoroughly biblical perspective on the practice of mindfulness.

Homeschool Bravely

How to Squash Doubt, Trust God, and Teach Your Child with Confidence

JAMIE ERICKSON

How to quiet the voices of “not good enough” and step courageously into guilt-free homeschooling

Many homeschool parents have a long-term relationship with self-doubt. “Did I make the right decision?” “Could someone else do this better?” “Am I robbing my kids of something by not sending them to ‘regular school?’”

If you’re wondering whether homeschooling is the best option for your kids or want to gain confidence in your own ability to teach them, then this book is for you. It will:

- realign your focus to God’s calling on your life
- dispel common misconceptions about education and the illusive “perfect” homeschool
- offer practical applications to make your homeschool work for you and your family
- provide biblical proof that God’s plans are always good and can be trusted

The truth is: God will use every part of your homeschool, even your fears, faults, and failures, as part of His good plans for your kids.

UNIQUE FEATURES

While bookstores contain shelves of homeschooling HOW TOs—books that speak in bullet points and educational formulas—they seem void of homeschooling encouragement—books that come alongside fearful mothers after God calls them to the deep waters of homeschooling. In *Homeschool Bravely*, the author hopes to provide a book that will act as both a cheerleader and a mother-culture for them, a tool that can realign their focus and help them to climb into the simplicity that is homeschooling bravely

JAMIE ERICKSON taught elementary school before becoming a mother. When her first child turned five, she made the decision to homeschool her daughter. Four more children followed, and she homeschools all five. Jamie is the founder of The Unlikely Homeschool and a popular education blogger. Her website, social media channels, and blog encourage and equip a growing tribe of more than 50,000 homeschooling mothers around the world.

God In His Own Image

Loving God for Who He is . . . Not Who We Want Him to Be

SYD BRESTEL

How can a God of love also be a God of wrath?

There’s a lot of confusion today about God’s character. It is all too easy to rely on cheap caricatures rather than rich truth. From the “Cosmic Cop” to the “Benevolent Grandfather”, Syd Brestel debunks the common misconceptions about God and shows you a picture of a God who is complex, just, severe, kind, and more worthy of our love than we ever knew.

God In His Own Image explores the tension between what Paul called in Romans “the kindness and severity of God.” Without giving cheap answers or quick solutions, Brestel will have you not only tolerating God’s wrath but celebrating it along with God’s kindness. If you’ve ever wondered what to do with God’s judgments, are trying to explain God’s wrath to others, or are exploring who God really is, *God In His Own Image* was written for you.

UNIQUE FEATURES

This book addresses God’s harsher attributes like wrath and justice in a time where we seem to be moving away from preaching or teaching about them

Feels Like Home

How Rediscovering the Church as Family Changes Everything

LEE ECLOV

The church is a family, not a business. A pastor's job is to be a homemaker.

Feels Like Home is a call to return to the simplicity and profundity of the New Testament teachings about the church as a family—to focus more on creating a safe environment than a productive enterprise. Lee Eclov has been a pastor for over forty years and spent many of those years thinking through and working out these principles. He'll capture your heart with a new vision of church while teaching you:

- why children should be seen and heard in the worship service
- how to create a culture where everyone is taken care of, even when its costly
- the importance of rest as well as service
- how to honor grandparents, embrace the unwanted, and create shared family values

God made us a family. It's time to start living like it.

UNIQUE FEATURES

- Familial approach to church that strikes at the rugged individualism of Western culture
- Lee Eclov won *Leadership Journal's* "Best of the Best" award in 2012 for *Pastoral Graces*
- 40 years experience as a pastor

MARKETING

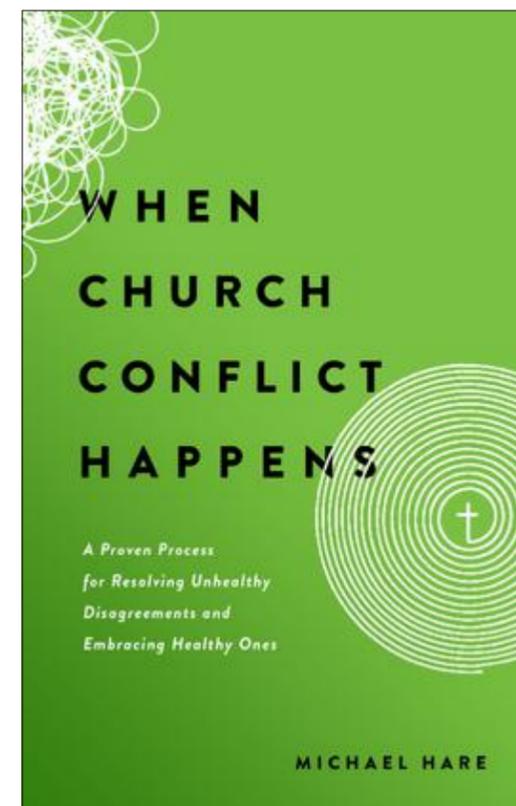

- Sermon series toolkit
- Re-engage purchasers of *Small Church Essentials*

AUDIENCE

Pastors of small to mid-sized churches, as well as house churches and small group leaders.

LEE ECLOV is senior pastor of the Village Church of Lincolnshire (Evangelical Free) in the northern suburbs of Chicago where he has served since 1998. Previously, he served for 14 years as senior pastor of Chippewa Evangelical Free Church, Beaver Falls, Pennsylvania, and for five years as an assistant pastor at North Suburban Evangelical Free Church, Deerfield, Illinois. His columns on preaching and his sermons appear regularly at PreachingToday.com, and he is a contributing editor of *Leadership Journal*. He has been an adjunct professor at Trinity Evangelical Divinity School for over ten years, currently teaching pastoral counseling. Lee is a native of South Dakota and the product of a rural church. He and his wife, Susan, have been married for nearly 40 years and have one son, Anders.

When Church Conflict Happens

A Proven Process for Resolving Unhealthy Disagreements and Embracing Healthy Ones

MICHAEL HARE

What would a conflict consultant tell your church?

Every church will face conflict at some point, and conflict, as painful as it is, provides a transformational opportunity like few others—both for leaders and for their congregations. Unfortunately, very few churches use the opportunity well, but your church can. *When Church Conflict Happens* will teach you how to identify the true (and often hidden) causes of church conflict and maybe even prevent it before it happens.

Michael Hare has worked for fifteen years as a church conflict consultant, and in this book, he explains what you need to know to heal, address, and prevent conflict. He teaches you the five levels of conflict (Intra-Personal, Inter-Personal, Intra-Group, Inter-Group, and Structural) and walks you through a proven process for healing conflict at each of these levels.

Get equipped for healing today.

UNIQUE FEATURES

- Non-shaming book on church conflict
- Teaches practices to turn conflict into a positive outcome
- Author has 15 years of experience in congregational conflict resolution

MARKETING

- Focus on Evangelical Free Church national conference and denominational leaders
- Branded stress ball for promotional mailings and conference giveaways (in the shape of a church)
- Direct mail campaign with key principles of the book

AUDIENCE

Pastors of small to mid-sized churches.

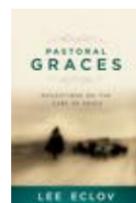

MICHAEL HARE never imagined a life looking for conflicts to resolve. Becoming a Christian at 19, he went to Bible college simply desiring to find out how to better serve God. However, following that path has led to over two decades of serving in the role of senior pastor in church turnaround ministries, 15 years of working as a church conflict consultant, and recently completing a PhD in Conflict Analysis and Resolution. Dr.

Hare also serves as a senior staff chaplain and ombudsman for Compassion International with its nearly 4,000 employees ministering in 26 third world countries. He has served as an adjunct instructor in several universities and is currently teaching mediation courses in a doctoral program in Denver. Michael and his wife, Colleen, live in Colorado Springs, CO, and have four children and six grandchildren.

Living Out the Beauty of the Gospel Together

NANCY DEMOSS WOLGEMUTH

From bestselling author Nancy DeMoss Wolgemuth—a vision for women everywhere.

Known for her wisdom, warmth, and knowledge of Scripture, Nancy DeMoss Wolgemuth has encouraged millions through her books, radio programs, and conferences. Now she's back with a legacy work on Titus 2 and its powerful vision for women.

The author writes, "Cross-generational community between women is the biblical antidote for being chronically, hopelessly overwhelmed, as so many of us are. When older women come out of their protective cocoons to invest themselves in the lives of younger women—and when young moms and singles widen their peer groups to include women who have already braved the same rapids and lived to tell about it—both sides of the relationship are strengthened and grow. Each of us, in different ways and in different seasons, needs to be on both the giving and receiving end of this life-to-life process."

On Bended Knee

Praying Like Prophets, Warriors, and Kings

CRICKETT KEETH

Are you dissatisfied with your prayer life?

Breathe fresh life into your relationship with God by studying how people in the Bible prayed in this 8-week Bible study! What can the prayers of eight biblical characters teach us about our own relationship with God? Discover for yourself as you dive into the prayers of Jesus, Paul, Job, Hannah, David, Asa, Jehoshaphat, and Nehemiah. You'll study:

- the setting of their prayers
- how they approached God
- how God worked in their lives through prayer
- what all of this means for your relationship with God

Martin Luther once said, "To be a Christian without prayers is no more possible than to be alive without breathing." Whether you're new to prayer or are a prayer veteran looking for a new challenge, this book is for you. Nobody has prayer all figured out; there is always more to learn. Jump in with these eight heroes today.

Unexplainable Jesus

Rediscovering the God You Thought You Knew

ERICA WIGGENHORN

Step into the streets of Jerusalem and encounter the Jewish Rabbi who turned the world upside down.

Do you want to be able to say, "I've encountered Jesus firsthand. I've met Him on the roadside, in homes and in city squares. I know Him. I can imagine what He would say in my current life situation. I am sure of what He would tell me to do in this decision I am facing."? If you answered yes, then you're ready to jump into *Unexplainable Jesus*. In it you will rediscover Jesus on the pages of the book of Luke. With so much interesting and engaging background information, you'll wonder how you ever read Luke without it. This 8-week study has five daily lessons for each week in which readers examine Bible passages, answer factual, interpretive, and application questions, and also read narrative sections that explain the cultural and historical significance of that day's passage.

Rediscover Jesus today.

UNIQUE FEATURES

- *Unexplainable Jesus* is the third title in Erica Wiggernhorn's Bible study series, rounding out the New Testament narratives written by Luke.
- An additional free downloadable "Come to the Table" section where the readers can recreate first century traditions and recipes, inviting a more sensory experience into their study time.

WHAT MINISTRY LEADERS ARE SAYING . . .

“I am thrilled to see these kinds of biblical studies being produced for the growth and edification of women in the church. . . . It’s sound doctrine, focused on the Bible and biblical truth, recognizing that we need to be fed on the Word of God and know this truth that will change our lives.”

Worn out and worn thin?

Life wears on us. We go through seasons of fatigue, strain, and tension that take their toll, and we can easily fall into apathy. Sanders prescribes a powerful tonic of scriptural principles that lead to recovery and growth.

If you feel worn out from your Christian life and could use a little spiritual doctoring, *A Spiritual Clinic* is for you.

More time to teach what matters most

Don't waste time explaining the basic details of every story while you're teaching. Have your students learn them through the Bible workbooks. The workbooks are full of exercises, questions, and maps that ensure students have the fundamentals down before you teach. That means you can use your time to bring those facts to life and teach about what matters most: the spiritual significance and application of Scripture.

Each workbook contains thousands of fill-in-the-blank questions as well as interactive diagrams and maps. They can be adapted for virtually any teaching setting (homeschool, Bible class, Sunday school). *Volume 1* takes you through the Old Testament chronologically (Job comes just after Genesis, for example, and the prophets are paired with their historical events found in the historical books). *Volume 2* begins with the Gospels and Acts, walks you through the Epistles, and finishes with Revelation.

UNIQUE FEATURES

- Worksheets with perforated edges
- Lay-flat binding
- Blanks on each page for student name

AUDIENCE

Students, invested laity, and others looking to dive deeper into the Bible.
