

John Bevere and his wife Lisa are the founders of Messenger International. A minister and best-selling author, John delivers messages of uncompromising truth with boldness and passion. His desire is to support the local church and resource leaders regardless of location, language, or financial position. To this end, his resources have been translated into over 90 languages, and millions of copies have been given away to pastors and leaders worldwide. When he's home, John tries to convince Lisa to take up golf and spends time with his four sons, daughter-in-law, and grandbabies.

Good or God?

If it's good, it must be God. Right? These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward.

But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

Driven by Eternity

What will your eternity look like?

What if you learned you were part of an experiment where the next 24 hours would determine the quality of the rest of your life? Everything from the job you hold to the neighborhood and house you live in will be tied to how you navigate a single day. How would you approach those 24 hours? Would you be intentional, or would you leave things to chance and hope for the best?

This idea might seem far-fetched, but it isn't. In fact, it closely resembles how your choices today will impact your destiny forever.

In *Driven by Eternity*, best-selling author John Bevere uses an eye-opening allegory and extensive Scripture to paint a vivid picture of the way our earthly lives shape our eternal existence.

Life beyond the final breath is much more than a destination. Don't wait until it's too late. Discover now how you can make your life count both today and forever.

The Story of Marriage

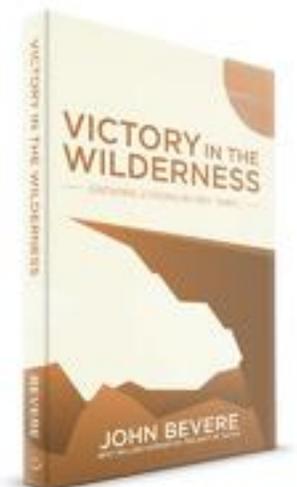

Once upon a time... Marriage was forever. It was a covenant that knit one man and one woman together. This weaving made both stronger, nobler, and more vibrant expressions of who they were created to be. They were better together than either had been on their own.

The wedding ceremony was but a beginning. It was the gateway to build their happily ever after. Each choice and action was designed to construct the life their union represented. Husband and wife walked into the great unknown with hearts, hands, and voices intertwined to express the love of their Creator.

How did we lose touch with this profound love story? In *The Story of Marriage*, John and Lisa Bevere invite you to rediscover God's original plan. Whether you're married, single, or engaged, your story is a part of His.
