One Blood

Parting Words to the Church on Race

JOHN M. PERKINS WITH KAREN WADDLES

Dr. Perkins' final manifesto on race, faith, and reconciliation.

We are living in historic times. Not since the civil rights movement of the 60s has our country been as vigorously engaged in the reconciliation conversation. There is a great opportunity right now for culture to change, but it cannot be done without the church.

The church is the heart and moral compass of a nation. To turn a country away from God you must sideline the church. To turn a nation to God the church must turn first. Racism won't end in America until the church is reconciled first and then, and only then, it can spiritually and morally lead the way.

In his crowning work, Dr. Perkins speaks honestly to the church about the things he's discovered to be crucial about reconciliation, discipleship, and justice ... the principles vital to a complete ministry of reconciliation."

UNIQUE FEATURES

- This will be Dr. John Perkins' last book
- Dr. Perkins is a civil rights legend and has a unique voice to speak into the cultural moment

Meditations on the Trinity

Beauty, Mystery, and Glory in the Life of God

A. W. Tozer is known for gazing upon God intently in Word and prayer and then telling readers plainly what he sees. This shines through in *Meditations on the Trinity*. This volume—a beautifully designed hardcover with a two-color interior—compiles excerpts from his writings into a collection of daily readings on the Godhead, making it an ideal gift or devotional.

No one can over-contemplate the Trinity. It is an inexhaustible mystery, and one that rewards sustained reflection. Readers of *Meditations on the Trinity* will receive a more accurate view of who God is, and in turn offer Him truer worship.

Losing the Cape

The Power of Ordinary in a World of Superheroes

DAN STANFORD

How to be a hero when you're feeling anything but super.

Despite all the superhero hype, the problems and pain in our world aren't going away. In fact, it often feels like the threats just keep coming. But the good news is that God has placed you here for such a time as this. And the even better news? You don't have to get rid of your anxiety, debt, speech impediment, extra weight, health issues, disability—or any other weaknesses—to be used by God. What this world actually needs is less-than-super people making small but significant differences in their own corners of the world.

Through inspiring stories from the Bible and his own life, Dan Stanford demonstrates that with God, availability is more important than ability. *Losing the Cape* is an invitation to start making the world a better place through your ordinary, everyday presence.

UNIQUE FEATURES

- Engaging comic book-inspired cover and interior design elements
- Questions for individual reflection or group discussion

AUDIENCE

Primary reader: Christian men and women, especially ages 20–40, who long to impact their world but feel ill-equipped to do so; Christians who love comic book and superhero culture, but believe their own insignificance or brokenness disqualifies them from serving the Lord.

Secondary reader: Pastors, small group leaders, or youth group leaders looking for an engaging and accessible resource for individuals or groups.

DAN STANFORD is not a comic book superhero. The glasses make you do a double take but under his shirt is not a cool costume and cape. He doesn't have a catch phrase like "Up, Up, and Yahweh!" and there's no blockbuster movie about his heroic deeds. He's an ordinary, decaf-drinking, nap-taking, Jesus-loving citizen. But in spite of being ordinary, he married his true love, Suzanne, and they have three dynamic boys: Caleb, Connor, and Colton. Dan holds a master's degree from Trinity International University and started The Well Church in Kenosha, Wisconsin. To learn more visit danstanford.net.

Redeeming How We Talk

Discover How Communication Fuels Our Growth, Shapes Our Relationships, and Changes Our Lives

KEN WYTSMA AND A. J. SWOBODA*Discover why words matter in a noisy world.*

Technology has made it easier than ever before to share just about everything: pictures, ideas, even the ups and downs of your morning errand run. Yet all our talking doesn't seem to be connecting us the way it promised to. That's because we don't need to talk more, we need to talk better.

Redeeming How We Talk explores what the Bible has to say about that central aspect of life and relationships—conversation. The Scriptures show us that words have remarkable power—to create, to bless, to encourage, to forgive. Imagine how we, as Christians, could spark change in our families, churches, and communities if we learned to use words like Jesus did. By weaving together theology, history, and philosophy, Ken Wytsma and A. J. Swoboda help us reclaim the holiness of human speech and the relevance of meaningful conversation in our culture today.

UNIQUE FEATURES

- Weaves together stories from history, art, Scripture, and the authors' diverse experience with an acute understanding of this cultural moment
- Study questions for individuals or groups

AUDIENCE

Primary reader: Christians who desire to better navigate personal relationships and public discourse without sacrificing grace or truth.

Secondary reader: Pastors or church leaders looking for a thoughtful yet accessible resource on the issues of communication and conversation.

KEN WYTSMA is an innovator, social entrepreneur, and president of Kilns College, where he teaches courses in philosophy and justice. He is the founder of The Justice Conference—an annual international conference that introduces men and women to a wide range of organizations and conversations relating to biblical justice and God's call to give our lives away.

A. J. SWOBODA is a professor, author, and pastor. He teaches theology, biblical studies, and Christian history at Portland and Fuller Seminaries. He also directs Blessed Earth Northwest, an organization focused on creation care issues and Sabbath in the Pacific Northwest. He is the author of numerous books.

ASHERITAH CIUCIU

Discover the secret to a full life.

We live in a world of scarcity. We say, “I don’t have enough time... maybe when we have more money... if only I had a little more help...” But Scripture says if we have Jesus, we have enough.

In this 6-week study of Colossians, Asheritah Ciuciu leads readers to discover the life-altering importance of Jesus’ sufficiency and sovereignty. And you don’t need hours a day to enjoy this Bible study. Each day’s study contains three paths:

- **Snack:** a morsel of truth to chew on throughout your busy day
- **Feast:** a dig-deep guide to maximizing the “meat” you’re getting out of your Bible study
- **Serve:** a service challenge for making theory a reality

You can enjoy this study with all three courses or pick the one that works best for you. Discover the joy and freedom that abounds when we know deep in our hearts that Jesus truly is enough.

UNIQUE FEATURES

- An in-depth, 6-week Bible study focusing on the book of Colossians
- Offers three levels of study: SNACK (short devotional), FEAST (Focus on God; Engage the text; Assess the main idea; Spark transformation; Turn to God in worship), and SERVE (practical service project)

AUDIENCE

Women at various levels of maturity who regularly attend church. This study appeals to women in different stages of life due to three levels of study offered.

The Forgotten Church

Why Rural Ministry Matters for Every Church in America

GLENN DAMAN

Whether it's because of the 2016 presidential election or books like *Hillbilly Elegy*, Americans are beginning to understand the tremendous influence people in rural areas have in our nation. But rural America—not urban America—is also the new center of poverty. Thus, the rural church stands at the crossroads of strength and struggle. It carries the gospel, the very hope and power needed. Yet its ministry efforts are being hamstrung because urban and suburban churches often don't realize their need for rural churches, and the rural church itself rarely understands its unique assets and values. *The Forgotten Church* addresses these problems and:

- provides an overview of rural ministry
- explores opportunities recent trends provide
- showcases the remarkable benefits of suburban, urban, and rural churches working together

This book is essential for any pastor—whether from the city or the sticks—because we are one body and we need each other.

UNIQUE FEATURES

- Few books are written and fewer published for this demographic of the church
- Glenn Daman is the trusted voice among the rural church
- Strong connection through Village Missions

AUDIENCE

Primary purchasers will be rural church ministers. They have the strongest felt need of being neglected. Secondary purchasers will be suburban/urban ministers as they recognize their lack of concern for their rural church brothers.

GLENN DAMAN is the author of *Leading the Small Church*, *Shepherding the Small Church*, *Developing Leaders for the Small Church*, and *When Shepherds Weep*. He grew up on a farm in Northern Idaho and attended Big Sky Bible College, Western Seminary, and Trinity Evangelical Divinity School. Since 1991

Glenn has served as the pastor of River Christian Church in Stevenson, Washington. He has also served small rural churches in Montana and Oregon. He has served as the director of Village Missions' Center for Leadership Development and has been an adjunct professor for a number of Bible colleges and seminaries in the area of small church studies. He has also taught in Russia, the Philippines, Canada, and Mexico. Glenn enjoys photography, woodworking, camping with his family, and spending time on the family farm.

Transforming Presence

How the Holy Spirit Changes Everything— From the Inside Out

DANIEL HENDERSON

Does God sometimes feel far off? Do you have a hard time motivating yourself to get into the Word? Are you trying to conquer old sins, but feeling defeated? If so, you're not alone. But the secret to spiritual thriving isn't about trying harder. You need supernatural help. That's why God sent a Helper.

The church faces problems today because it misunderstands the Holy Spirit. We think of Him as a force rather than as a person. And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us. Through over twenty years of studying church renewal, Daniel Henderson has discovered ten practices that lead individuals—and entire churches—to having a right relationship with the Holy Spirit and experiencing the kind of inside-out renewal that can only come from God. Stop relying on your natural effort that can only lead to natural results. Seek supernatural change. Find out how the Holy Spirit can transform you (and your church) today.

UNIQUE FEATURES

- Practical and theological
- Necessary adjustment of theology of the Holy Spirit, with examples of where the modern church has gone astray
- Appeals to both charismatic and non-charismatic crowds

AUDIENCE

Broadly evangelical but primarily to church leaders. Daniel's influencers and endorsers range from Jim Cymbala to John MacArthur to Erwin Lutzer. There's a message for everyone from the charismatic to the cessationist, and Daniel is uniquely positioned to speak to both sides. This book is aimed at the gatekeepers of theology.

DANIEL HENDERSON is the founder and president of Strategic Renewal International, leading renewal events and coaching pastors across North America. He speaks at dozens of national and regional conferences for pastors including the Moody Bible Institute's Pastors' Conference, Alistair Beggs' Basics Conference, and John MacArthur's Shepherds' Conference. Daniel is also the National Director of The 6:4 Fellowship, a cross-denominational community of pastors focused on the primary biblical priorities of "prayer and the ministry of the Word" based on Acts 6:4. Daniel is the author of nine books, and his articles have appeared in publications like *Leadership Journal*, *Pray! Magazine*, and *ChurchLeaders.com*.

The Essential Jonathan Edwards

An Introduction to the Life and Teaching of America's Greatest Theologian

OWEN STRACHAN AND DOUGLAS ALLEN SWEENEY

You've heard his name, you've probably heard your pastor quote him, but who is he really?

Two hundred and fifty years after his death, Jonathan Edwards, America's consummate pastor-theologian, continues to capture the attention of Christians around the world. Edwards left us over 1,200 sermons and thousands of pages of other publications, not to mention the literal thousands of books that have been written about Edwards since he died. Where does one even begin? That's why we created *The Essential Jonathan Edwards*. It serves as a perfect introduction to Edwards' life and thought. It explores Edwards day-to-day life, and his views on beauty, true Christianity, heaven and hell, and the good life. Strachan and Sweeney strike the perfect balance between necessary background information and giving Edwards' own works room to speak.

Whether you're an Edwards fan already or only know Edwards because of "that angry God sermon," this book will lead you to drink deeply of Scripture and gaze longingly at God.

UNIQUE FEATURES

- Single volume of multiple works
- Walks the line of accessible yet rich with content
- Mixes quotations with explanation

AUDIENCE

DOUGLAS ALLEN SWEENEY is professor of Church History and the History of Christian Thought and director of the Carl F. H. Henry Center for Theological Understanding at Trinity Evangelical Divinity School.
