Adamant Companion Lessons

Lisa Bevere

What is truth?

This has become *the* defining question of our time. But while everyone has an opinion, truth, it seems, is getting harder and harder to find. Perhaps that's because we are searching for *something* when we should be looking for *someone*.

Truth has a name.

More ancient than time and more present than this moment, truth is not a river that changes with the cultural currents, but a rock—immovable, invincible, unshakable—and the cornerstone of all we are and ever dream to be.

Theologically deep yet intimately accessible. The *Adamant Companion Lessons* will be an anchor for your soul in a raging sea of opinions, giving you a clear sense of direction in a wandering world.

Includes:

- 6 20-minute video lessons on 2 DVDs.
- Questions for group discussion.
